

## Searching for an Image

**Before you use ArtStor: Make sure you disable the pop-up blocker. You can do this by going to Tools in your browser.**

### Doing a Basic Search

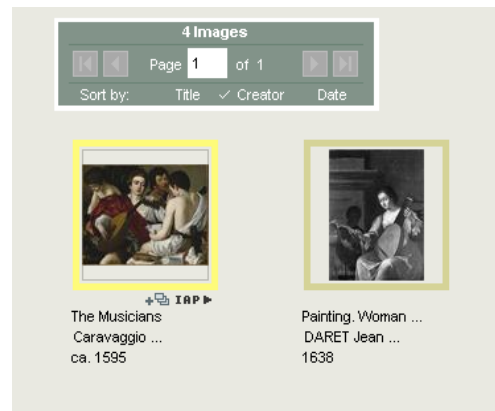

1. Open ArtStor, click on Launch
2. Enter in a keyword (artist, title, movement)
3. You can select a collection (Huntington Archive, Carnegie Collection) or search all collections at once.

#### BASIC SEARCH

For more information about each icon, wave the mouse over each one

### Viewing Images

1. To view an image, double click on the thumbnail.
2. To make it a full page, click on the maximize window icon, located next to the save button
3. Click on + or – to zoom in and out. You can also pan across the image using the icon with four arrows.
4. For more information about the image, click on the I icon
